SPF				1/2" BSP Straight Male Push Fit to 15mm tube						14.00	18.00
<b>VALVES, HEATING ELEMENTS AND ACCESSORIES</b>											
UDS 850	Décor Angle Valve in brushed mat steel finish pair complete with 15mm tube connect								48.00	N/A	
UDS 851	Décor Straight Valve in brushed mat steel finish pair complete with 15mm tube conn								48.00	N/A	
UDS 860	Décor Swivel Valve in brushed mat steel finish pair complete with 15mm tube conne								86.00	N/A	
UDS 927	Interaxial Swivel 50 Valve in brushed mat steel cover- pair complete with 15 tube con								120.00	N/A	
UDC 850	Décor Angle Valve in mirror chrome plated finish - pair complete with 15mm tube con								41.00	N/A	
UDC 851	Décor Straight Valve in mirror chrome plated finish - pair complete with 15mm tube c								41.00	N/A	
UDC 860	Décor Swivel Valve in miror chrome plated finish - pair complete with 15mm tube con								72.00	N/A	
UDC 927	Interaxial Swivel 50 Valve in mirror chrome cover- pair complete with 15 tube connec								104.00	N/A	
UDS 109L	Domignon Liquid sensor in brushed mat steel finish (matching Aeon Range)								30.00	N/A	
UDC 109L	Domignon Liquid sensor in mirror chrome plated finish								28.00	N/A	
	Valves with "S" in brushed mat steel finish matching the Aeon Range									N/A	
P925	Straight "H" Valve without by-pass								16.00	N/A	
P926	Angle "H" Valve without by-pass								18.00	N/A	
P915	Straight "H" Valve with by-pass								20.00	N/A	
P916	Angle "H" Valve with by-pass								22.00	N/A	
P99SP	Drain device								16.00	N/A	
SJAC	Designer 1/2"BSP airvet with "O" ring in mirror chrome plated								17.50	N/A	
SJPC	Designer 1/2"BSP plug with "O" ring in mirror chrome plated								6.50	N/A	
HE90	90W Heating element with 70C thermostat, 127C thermal fuse, cable length:1,5m, 20								55.00	N/A	
HE150	150W Heating element with 70C thermostat, 127C thermal fuse, cable length:1,5m, 3								48.00	N/A	
HE300	300W Heating element with 70C thermostat, 127C thermal fuse, cable length:1,5m, 4								49.00	N/A	
HE400	400W Heating element with 70C thermostat, 127C thermal fuse, cable length:1,5m, 5								52.00	N/A	
HE600	600W Heating element with 70C thermostat, 127C thermal fuse, cable length:1,5m, 7								56.00	N/A	
HE900	900W Heating element with 70C thermostat, 127C thermal fuse, cable length:1,5m, 1								67.00	N/A	
HET400	400W Heating element with 70C thermostat, 127C thermal fuse, cable length:1,5m, 5								138.00	N/A	
HET600	600W Heating element with 70C thermostat, 127C thermal fuse, cable length:1,5m, 7								147.00	N/A	
HE300d	300W DRY Heating element kit with 70C thermostat, 127C thermal fuse, cable length								68.00	N/A	
HE400d	400W DRY Heating element with kit 70C thermostat, 127C thermal fuse, cable length								73.00	N/A	
HTL20	Heat transfer liquid for upto 2000mm of height and for all Aeon Products								145.00	N/A	

<b>TPC</b>	"T" piece in mirror chrome plated finish for dual fuel operation	<b>9.00</b>	N/A
<b>4w-TRV+</b>	4 way radiator valve with thermostatic control (white sensor and nickel plated body) f	<b>73.00</b>	N/A
<b>P3625N</b>	PAIR of 15mm copper tube connector in nickel plated finish	<b>12.00</b>	N/A

The List prices are including the delivery charges to any destination in England, Wales, Scotland (excluding the highland & Islands)  
 Cost of delivery charged for other destinations world-wide

Prices are subject to 17.5% vat for UK sales

BI-FINISH: All twister upright blades are finished in mirror polished on one side and brushed matt on the other

N/A : not applicable
